“ *this is a man who in his own words would tell you " I am my mothers prettiest and smartest child " I have known him by many names, Mr Williamson, heard him called whitey, and I called him Buddy another word for brother. We had the same mother. while he may have been the prettiest and the smartest he was not the youngest and I never let him forget it. that is my title. He was the biggest and I was the smallest. We didn't always agree on things, but I loved him, he was my brother. So buddy say hello to Mother, Sister, Robert, Melvin, Arthur and to my daddy when you see them. Tell them I miss them all and know I will miss you and always love you too
